Big Picture

Here, we don't chase the spotlight - we limn the edges.

We shape, reflect, build, and redefine in a way that's personal, thoughtful, and aligned.

"It's like a coaching coworking space - with heart, strategy, and real talk."

~ Nicole O'Brien

WHO THIS IS FOR

- Coaches who are sketching out what's next: Whether you're stepping out of federal service, pivoting inside your business, shifting into private practice, or redefining your work altogether.

WHY THIS? WHY NOW?

- Whether you're just starting to explore the idea or already taking bold steps forward, this is a space to stay connected, supported, and visible as you grow.
- If you're craving honest conversations, meaningful connection, and steady momentum without the noise of giant groups or "growth hacks," this is the right place.

Save My Space!

- Sign up online and start your membership to get immediate access to the Resource Library!
- If you're considering bundling Limn Light with other Coach Support tools - Alignment Coaching Consult or Mastermind - reach out so I can get you the exact support you need at the best value!
