

# Alignment Coaching Consult

*A focused, 1:1 strategy session for Coaches in Transition*

60 MIN

\$75.00

## What To Expect

- **Pre-Call Intake Form** (a short survey to capture where you're at and what you need most)
- **60 minute 1:1 Video Call** focused entirely on your priorities – business, identity, systems, mindset, or anything in between
- **Personalized Follow-up** with key takeaways and recommended next steps
- **Optional Two Week Check-in** (via email) for light accountability and encouragement
- **Access to a private community space** for coaches navigating change – membership is *optional* and offered at an additional cost for those who want continued connection

## Big Picture

A personalized strategy session designed to meet you wherever you are in your coaching or consulting journey. Whether you're:

- Navigating a career shift
- Exploring what it means to go out on your own
- Trying to gain clarity around your business direction or next steps

This call is a space to step back, refocus, and align with what matters most – on your terms.

## WHO THIS IS FOR

- Federal coaches or seasoned practitioners transitioning into private practice
- Coaches who feel stuck, unclear, or overwhelmed
- Anyone craving a clear-eyed, no-fluff conversation with someone who understands the world they're navigating

## WHY THIS? WHY NOW?

- Many talented coaches are re-entering the workforce or launching something new without a solid support structure.
- These alignment consults are designed to offer high-value guidance at an accessible rate – for those who want clarity, support, and a trusted space to think things through.
